# Beastial (EAPEU)

This fan-fiction article, **Beastial (EAPEU)**, was written by [Adalwulf of Aedirn](#). Please do not edit this fiction without the writer's permission.

This article, **Beastial (EAPEU)**, is part of the [Extended Ancient Pantheon Expanded Universe](#). It may not be consistent with other timelines.

The **Beastials**, also known as the Wyldfolk or Shifters are the natural (non-cursed) versions of therianthrope with bloodlines that are currently or have been purified to be untainted by the cursed lineages of [Stalnitherath](#) influence such as [Earkorlidipar](#). The **Beastials** are considered to be a cousin species to the [Dyrians](#) as on [Jaevela](#) they would interbreed making the new races.

## Physical Description & Abilities

Beastials have the limited ability to shapeshift into five different forms: Man Form, Near-Man Form, Guardian Form, Dire Form, and True Form (Though there are some exceptions as to how many some species can access).

**Ape Beastial**, often mistakenly called a wereape, are the natural uncursed version of a wereape, they can usually shift between three forms, with different levels of humanity or animality:

<u>Man Form</u>	<u>Guardian Ape Form</u>	<u>True Ape Form</u>
<p>Called <u>Man Form</u> by the <b>Ape Bestials</b> while in this form they are virtually indistinct from a human. The only traits that remain of their Bestial</p>

## Weaknesses ⚔

- **Hybrid Oil:** The **Bestials** take more damage when struck with a sword covered in the witcher blade oil known as Hybrid Oil.
- **Silver:** Like their Cursed Ones cousins, a **Beastial** is vulnerable to silver. Therefore, a silver sword proves effective against it, enabling easier penetration of their tougher skins in their other forms.

## Culture 🔮

**Beastial** society pays homage to the ancient triad of the natural world: the [Beast King](#), the [Floral Queen](#), and the [King of Natural Beauty](#). Their society has a lot in common with druid circles as both they protect the natural order of the world and commune with spirits. Each tribe has different values and purposes with some even having drifted away from their original purpose. Few Beastials were transported over during the Conjunction of the Spheres with their numbers being lowered even further due to human persecution.

## Notes 🔮

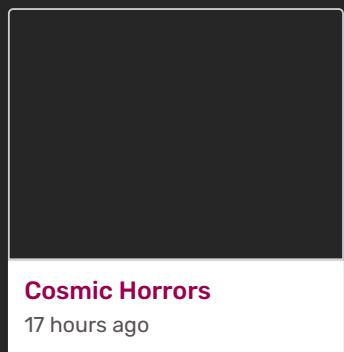

- If a **Beastial** had an Awakening Ritual done on their True Form they would be able to talk to humanoids in that form and would gain even greater intelligence.
